RESORT STYLE

Markwell Residences Recreational Retreat is an extraordinarily beautiful haven that ensures escape and revitalisation are part of your everyday. This 1200sqm retreat includes more than 20 regeneration zones to cater for all aspects of relaxation from a dip in the aquatic lounge – a pool that wraps around two sides of the Retreat – to a quiet reflection at the end of the day in one of three secluded thermal baths. An international standard day spa will provide the latest in beauty treatments and relaxation therapies. For a more active start to the day, stretch out on the yoga deck or take advantage of the high tech fitness club. Hide away with your favourite book in a leaf dappled urban garden room or invite family and friends to lunch in the leafy, sunken, plush private dining pavilion. Nothing has been overlooked, everything is in place to create the ultimate combination of inner city and beach living at Markwell Residences.
